1 Narrow the wall light so the figure pops.

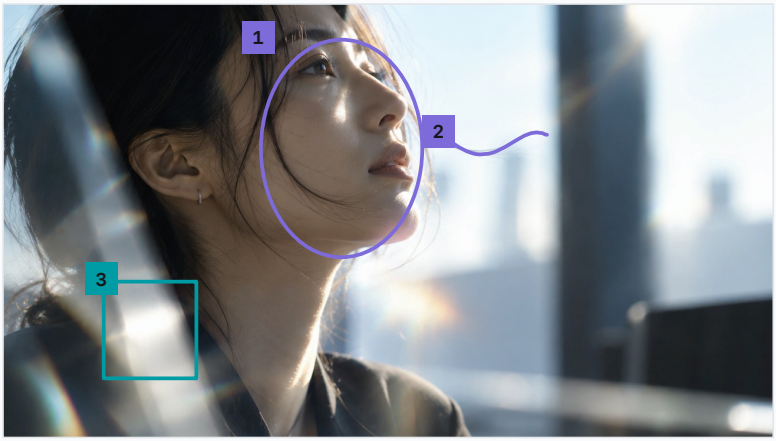

2 Backlit figure is getting lost. Lift the shadows a touch.

1 Please tone down the prism glare, just in this spot.

2 The book title is legible. Get clearance or blur it.

1 Brighten the face slightly. Keep the skin tone as is.

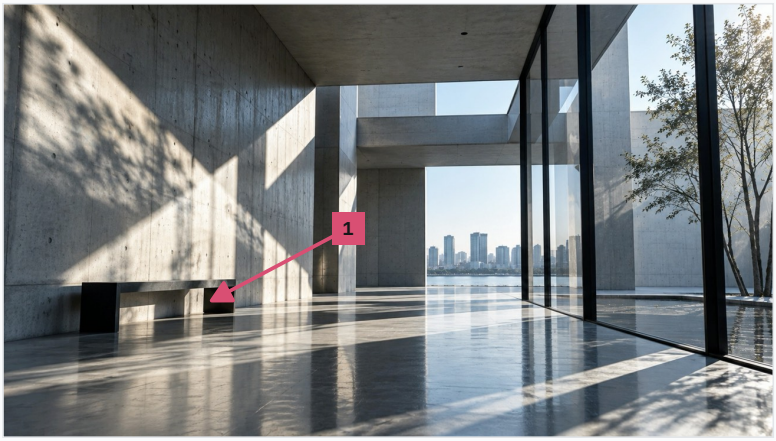

2 Please paint out the flyaway hairs across the face.

3 Cut the lower-left bloom by about half.
